THE TALE OF...

Two Sisters

Aria Jamina & Aria Elita | Justify x BK Tamina | 2008 Mares

Once there were two sisters. In fact, they were twins! ARIA JAMINA and ARIA ELITA were tall and elegant sisters. Throughout the land, they were awarded roses and ribbons for their great beauty. They were very close and hated to be separated, yet they were also friendly rivals. From their very first foal crop, ARIA JAMINA and ARIA ELITA both produced amazing sons and daughters, some who are now NATIONAL CHAMPIONS!
